Regarding: All-City Clinic and Concert

I recently found out that a basketball tournament was scheduled for the same weekend as our All-City Band Clinic and Concert. All of the junior high directors discussed and decided that we needed to move All-City but there are no other open weekends in December so we have to look at January. The date is not yet set but as soon as it is, I will let you know. Thank you for understanding. Please check back on the band website for updated information.

Thanks,
David Dobson
