Regarding: Beginner Christmas Rehearsals

Happy Holidays! It is almost time to hear your students play their first concert as a member of the Deer Park Junior High Band! Because our beginners are split up into several different classes we will have 2 rehearsals to pull everyone together and practice. These practices will be from 3:45pm-4:45pm on December 9th and 10th. Without these rehearsals your students would not have the opportunity to practice with the entire band before our concert. These practices will be graded on if they show up or not so contact me as soon as possible with any conflicts. Thank you in advance for supporting your student's participation in the DPJH Band. (832) 668-7517 or ddobson@dpisd.org.

Thank you,
David Dobson
