Dear Parents,

The Deer Park Independent School District will be offering private lessons for music students at the junior high and high school levels. Lessons will be available during the school day (on a space availability basis) and after school. After school conflicts should be noted on the enrollment form.

The cost of private lessons for 2008-2009 school year will be:

- \$16.00 – Bachelor's Degree (0-4 years DPISD experience)
- \$17.00 – Bachelor's Degree (5+ years DPISD experience)
- \$17.00 – Master's Degree (0-4 years DPISD experience)
- \$17.50 – Master's Degree (5+ years DPISD experience)

We encourage you to consider and participate in one of the plans outlined on the following page. Your private lessons donation will be paid to the high school booster club (band, choir or orchestra), who will in turn provide money to the school district to be applied toward the costs of lessons. Your participation in our lesson program assures that our students at Deer Park will have the opportunity to experience this outstanding program.

The Deer Park Independent School District is fortunate to have an excellent private lesson staff willing to commit their time and talents to our district and students this year. We ask that students make a year-long commitment to this program. In the event that scheduling problems or other conflicts arise, a director will assist you in any way possible.

If you are interested in enrolling your child in private lessons, please complete the accompanying enrollment form and return it to your child's director. ***Please include your first payment along with the enrollment form.***

All lessons are scheduled on a "first-come-first-served" basis, so please return this form as soon as possible.

**If you have any questions concerning this information, contact the appropriate director.**
