- Please note that DPISD policy is that, in order to be granted credit for the 30 hour training, the training must be taken in the same year from the same source, and it must consist of classes consistent with the State Plan for Gifted Education.
- If you are in need of the 30-hour Initial GT Training, this will be offered during the summer of '06.
- Please contact Lisa Meyer at 87112 or lmeyer@dpisd.org if you need more details or information.
