Deer Park ISD hosts child safety presentation on Oct. 25

DEER PARK – With the growing popularity of social networking websites such as MySpace and Facebook and the continued presence of bullying, child predators, drugs, and more, today's parents are faced with the challenge of staying informed on a variety of negative influences on their children.

To provide parents with current information about these issues and more, Deer Park Independent School District will host CHILD LURES, a presentation by Donna Clark Love, an internationally-recognized expert in the areas of bullying prevention and Student Assistance Programs. Love has developed substance abuse and violence prevention programs for 53 schools in the Houston area, and has been featured on NBC's Today Show, NBC's Nightly News with Tom Brokaw, and in People Magazine and Forbes.

Presented by the district's Safe and Drug Free Schools and Communities Office, CHILD LURES will take place at 7 p.m. on Oct. 25 at the Deer Park High School Performing Arts Center, which is located at 710 West San Augustine in Deer Park.

For more information, contact the DPISD Office of Safe and Drug Free Schools and Communities at 832-668-7117.
