Thursday	July 9	ALL-Any	Soc.St.	ELA

### Testing Information

	Date	Day	Time

Science	July 16	Thursday	8:30
Social Studies	July 17	Friday	8:30

*NOTE - Students meeting state and/or local credit requirements that have not passed one or more of the TAKS tests must meet the following guideline in order to participate in the 2010 graduation ceremony. Students must attempt all scheduled TAKS tests for each area that has not been passed. Many surrounding school districts do not allow students to “walk” at graduation without having passed all TAKS Exit-Level tests. Deer Park ISD has not made this a requirement; however, we are requiring students to take advantage of every opportunity to take the needed state assessments.*
