

Hey,

I'm doing our Spanish homework and I'm lost. I don't understand this present tense stuff.

***What is conjugation? *For example, why do I have to say "yo bailo"? *Why can't I just say "yo bailar"? *Doesn't "bailar" mean dance?**

For number six I answered "escribes" where it says "tú y Mateo (escribir)". *Is that right? *If I'm wrong, tell me what I did so I can fix it. On yesterday's quiz Ms. Chandler marked me wrong when I wrote "ellas canten." *Why was that wrong? This stuff is confusing! I'm going in for help tomorrow. Thanks! See you at lunch.

YOU HAVE TO WRITE AN ANSWER FOR EVERY SENTENCE WITH A STAR
