Financial Update: Connie Haas gave a brief financial overview. A bank statement and financial summary was distributed. A motion was made by Ana Barrera and seconded by Ina Rangel approving the financial statement.

Coach: Coach Siebert introduced herself and thanked the Booster Club for prior year's improvements to the program. Coach Siebert has an open door policy and says to email/call anytime (email address is msiebert@dpsd.org). She is very excited about the field improvements which are in progress right now. Currently there are 37 girls in the program and she plans to field three teams. Girls are currently working speed/conditioning two days a week, weight training 2 days a week and skill workout one day per week. Tryouts will begin January 26th after school, there will be a one week tryout period, two weeks of scrimmages and then play will begin. We have a new addition to our district schedule, the JV Maroon and Varsity will no longer be playing Northshore, and will now be playing Pearland. She is looking forward to a great season.

Fall Ball: Fall Ball is scheduled to begin on 10/20/08. Deer Park has committed to fielding two teams.

Field Improvements: Coach Siebert shared blue-prints for field improvements which have begun. New taller bleachers and new 36 ft. cinder block dugouts to be paid for out of bond money. She mentioned her excitement with these changes taking place, as these fields were built in 1985 and have had only minor improvements through the years. She asked if anyone knew of a place to get good quality field dirt at a good price.
