

Final Exam Exemption Policy - Spring 2008

Student may earn exam exemptions during the spring semester in any class. All students must meet the following criteria.

Attendance: Three absences or less per period.

Academic: Grade average must be 80 or above for the three six weeks combined.

Discipline: Students can have no suspensions, ISC, and no more than 3 days in CIA.

Clear Record: Students shall have no outstanding fees or fines prior to the exam. the deadline to pay fees and fines is Friday, May 23, 2008. If student incurs an additional fee, he/she will not be exempted from exams until the new fee is paid.

TAKS Exemption Policy - Spring 2008

If a student does not meet the "Final Exam Exemption Policy", he/she may be exempt under the "TAKS Exemption Policy" if following criteria are met.

Must pass each subject area TAKS to be exempted from that class.

For example, Pass the Math TAKS ---> Exempt from math exam.

Fail the Math TAKS ---> Take the math exam.

Academic: Grade average must be 70 or above for the three six weeks combined.

Discipline: Students can have no suspensions, ISC, and no more than 3 days in CIA.

Clear Record: Students shall have no outstanding fees or fines prior to the exam. the deadline to pay fees and fines is Friday, May 23, 2008. If student incurs an additional fee, he/she will not be exempted from exams until the new fee is paid.
