

## Deer Park ISD 2018-19 Online Registration Skyward Family Access

If your child is currently enrolled in any DPISD school,  
you will be able to register him/her online beginning August 1<sup>st</sup>.

*The TEA (Texas Education Agency) requires all students to register every school year. You are considered a returning DPISD student if you were enrolled in DPISD on the last day of school. This TEA required registration is done by updating your child's information in Skyward Family Access along with participating in your child's campus registration/back to school activities.*

**Deer Park ISD will again** utilize Skyward Family Access to allow parents to **verify and update** contact, emergency, and health **information** for each child. This online portion of the registration process will be available August 1<sup>st</sup> and can either be completed at home, or at your child's school, or at the DPISD Technology Building.

**Your Family Access account will be used to complete this portion of the back to school registration.** Starting August 1<sup>st</sup>, you can log into your Family Access account and click the Start Registration link to begin the online registration process. Your one Family Access account will access all of your children's information.

We will send you a reminder via email and phone call on August 1<sup>st</sup> when online registration opens for all students. Additional how-to directions will be included in the email.

**\*All Family Access passwords will be reset to your (parent) birthdate on July 31<sup>st</sup>.** The password will use the format of **MMDDYYYY** -so if you were born on March 25, 1978....your password would be 03251978  
If you have trouble logging into your Family Access account, please contact the Family Access Helpline.

**Which parent can complete the online registration process?** Either parent in **Family #1** can complete the online registration process. Remember that a valid email address is helpful for Family Access.

**The online registration process is required to update information** for all returning students of DPISD and will open on August 1<sup>st</sup> at 1:00 pm. Remember that this can be done at home. If you do not have computer access at home, computers will be available at your child's Campus Registration and/or at Meet the Teacher Night.

**\*\*\*This does NOT replace your child's Campus Registration/Package Pickup and/or Meet the Teacher Night.** Please watch for communication from your child's campus regarding these additional beginning of the year activities.\*\*\*

**How to get more information?** Between now and August 1<sup>st</sup>, **visit the DPISD website** ([www.dpsid.org](http://www.dpsid.org)) for any information concerning the online registration for the 2018-19 school year. A reminder will be sent via **email on August 1** when online registration opens for all students.

**Students who are NEW to Deer Park ISD** must enroll and register in person on Tuesday, August 7<sup>th</sup> at the district's New Student Registration. This New Student Registration will be held at Deer Park High School – South Campus between the hours of 10:00 am – 7:00 pm. After August 7<sup>th</sup>, the next Registration Day for new students will be the first day of school: Monday, August 20. If you have any questions, please contact the school your child will attend to schedule an appointment.

If you have any questions, call the Technology Building at 832-668-8480 or 832-668-7446.  
Ask for Melissa Konvicka or the Family Access/Online Registration Helpline.
