

Play Imagine Math Facts at Home!

Imagine Math Facts teaches students math facts through a series of powerful, engaging activities on multiplication, division, addition, and subtraction—helping each child quickly gain automaticity and math fluency along with a new interest in math.

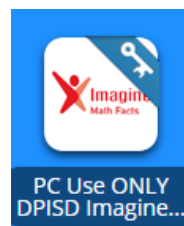

Logging in on a Computer

Students log in to Imagine Math Facts at home the same way they log in at school, if logging in on a computer.

1. Step 1: Go to the DPE website. <https://www.dpsid.org/Domain/298>
2. Step 2: Click the link to Classlink under Site Shortcuts

3. Step 3: Log into Classlink with their student username and password. Their username is their last initial, first initial, lunch # and their password is their 6 digit birthday. Ex: username: fl313778, password: 082908
4. Step 4: Choose "Imagine Math Facts App" on the Classlink Dashboard.

A login form for ClassLink. At the top is the Deer Park Elementary logo. Below it, the text 'Sign in to ClassLink' is displayed. There are two input fields: 'Username' and 'Password'. A 'Sign in' button is located at the bottom of the form.
