**DEER PARK INDEPENDENT SCHOOL DISTRICT
NOTES TO THE MONTHLY FINANCIAL STATEMENTS**

for the period ending October 31, 2018

Note 1 - Balance Sheet Accounts

Cash & Investments - represent total available liquid funds, including cash in the bank, short-term investments in commercial paper, government agency securities and certificates of deposit, and pooled funds at Lone Star, Texpool or MBIA.

Property Taxes Receivable - Delinquent taxes receivable and the allowance for doubtful collections are presented for the General Fund and Debt Service Fund. Delinquent accounts older than 20 years are written off each year. The current receivable and allowance for uncollectible taxes on the balance sheet differ from those on the tax collection statement at this time by a small amount. This difference will be reconciled when the 2011-12 audit is final and complete.

Receivables from Other Governments - may include amounts due from the Texas Education agency or other school districts.

Due From Other Funds / Due To Other Funds - at any given time, funds may owe other funds money for payroll or accounts payable processing. These are temporary balances and usually clear out in a month or less.

Prepaid Expenses and Prepaid Items - are for amounts paid in one period but not yet recognizable as expenditure because the goods or services paid for have not yet been received. This is usually a timing issue at fiscal year-end and pertains mostly to property insurance amounts.

Deferred Revenues - This account consists mostly of property taxes receivable minus the allowance for doubtful accounts, but may also contain other amounts received but not yet earned as revenue.

Investment in Inventory - In the General Fund, this is the amount of stock in the warehouse for parts and supplies for Maintenance. In the Child Nutrition Fund, this is the amount of commodities stored at year-end for the upcoming year. These figures are updated annually.

Encumbrances - These amounts represent the amount of goods and services set aside on a purchase order but have not yet been received or paid for at month-end.

Fund Balance - These amounts represent residual equity, or net worth, of each fund. Fund balance is often segmented into different categories or components. New fund balance categories are now being displayed as per GASB 54 requirements.

Note 2 - Revenues and Expenditures

Local Revenues - include local property taxes, user fees, interest earnings, donations, concession receipts and virtually all other local and miscellaneous cash inflows.

State Revenues - including funding from TEA for Available School Funds, Permanent School Funds, state reimbursement for the child nutrition program and other miscellaneous state payments.

Federal Revenues - Includes the ARRA Stimulus Grant funding from the federal government, federal free & reduced lunch reimbursements and any other miscellaneous federal funds.

Robin Hood Costs - Recapture costs are estimated to be zero for this year, but that determination is still uncertain as the District awaits the results of a taxable value audit from the Comptroller's Office and TEA.

Other Resources / Uses - This category includes any unusual or one-time items that are not typically classified as revenues or expenditures, but represent cash inflows or outflows.

Note 3 - General Fund The General Fund accounts for most of the routine transactions of the District on a day-to-day basis. All other funds exist for special, limited purposes. The General Fund accounts for virtually everything else.

Note 4 - The Child Nutrition Fund This Fund accounts for all activities related to our food service operations. It is classified as a separate fund since it receives a combination of local, state and federal funds.

Note 5 - The Debt Service Fund This fund accounts for tax levy received specifically for the I&S tax levy and payment of principal and interest on outstanding bonds. Bond payments are made on February 15th and August 15th each year.

Note 6 - Capital Project and Bond Funds The Capital Project Fund (Fund 650) has residual funding from the sale of land several years ago, and the remaining funds are set aside for various capital projects on an as needed basis. The Bond Funds (Funds 698 and 610) represent the proceeds of bond sales and are designated for soecpfc construction or other capital projects approved by voters.

Note 7 - Program Intent Comparison The State has specific spending requirements for state and local funds funded for and to be spent on specific instructional programs in the General Fund. This analysis attempts to present the amounts the District has budgeted agaisnt those mandated spending requirements and our progress during the year towards actually spending these funds in the prescribed manner.

Note 8 - District Fact Sheet

This financial and statistical presentation includes a number of items of possible interest and compares the past three years to the current year. We can add or modify items to this list as needed. The Fact Sheet is currently being updated and is not presented this month.

Note 9 – Budget Amendments

The District plans to propose 4 budget amendments to Trustees during 2012-13.

Note X – Summary of Significant Accounting Policies

A. **Reporting Entity** – Deer Park ISD is governed by a seven member Board of Trustees. Because the Trustees have significant influence over the District’s operations, the District is not included in any other government entity’s financial statements. The District’s self-funded health insurance plan is supervised by a group of employees comprising an Advisory Committee. The Plan’s financial statements are presented as an Internal Service Fund.

B. **Measurement Focus and Basis of Accounting** – The individual fund financial statements are presented on a current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recorded when they become measurable and available. Expenses are recorded when they are incurred, regardless of when the bills are paid. Expenses are recorded in the accounting period, often overlapping fund years in a pro-rata manner. The District reports the following funds in its monthly financial statements:
